

## 2FT BATTEN 1440LM 12W 4000K 120LM/W NON-DIMM

### Description

This attractive and efficient LED batten offers a fantastic balance of price and performance. Running at 120lm/W, this batten will provide major energy and cost savings over legacy fluorescent technology.

Schools, offices and many other workplaces will benefit from the good looks and efficient performance of the Value+ Batten.
