
CABINET BATTEN SWITCHABLE COLOUR 940LM 12W 2700/4000K 140 BEAM 90LM/W 870MM 3FT LINKABLE NON-DIMM

Description

The Colour Switching Cabinet Batten let's you easily switch between Cool White task lighting or Warm White lighting for dining or entertaining. A three-way switch on the unit gives you direct control over the ambience of your kitchen or other under-cabinet environments, such as a study or home office. These battens are linkable, making it easier to install a series of battens in large furnishings.
