

## **EVO PANEL 600X600 3650LM 36W 6500K NON-DIMM 101LM/W BACKLIT 3YEAR WARRANTY**

### **Description**

This is a 36W, 3650lm 600×600 Integral LED Evo panel. It delivers a uniform daylight white light across the whole of its surface. The high level of efficacy (101lm/W) offers savings in running cost against traditional 72W fluorescent fittings as well as many other LED panels.
