
**MINI TILTABLE DOWNLIGHT 50MM CUTOUT 3.3W
155LM 47LM/W 3000K 15 BEAM NON-DIM BLACK 95
CRI**

Description

Lux Mini range offers extremely high CRI 95 designed to enrich the vibrancy of colours, a narrow beam of 15 Degrees enables the precise placement of accent lighting. This family of miniature downlights stands out as the ideal choice for home, retail, hospitality and artistic applications, helping to enhance the appearance of colours in fabrics, products and art. Complement with Lux Hi-Brite range for coherent multi-level lighting design.
