

OUTDOOR DECORATIVE WALL LIGHT CROSSCUBE 230LM 4.3W 3000K 2 WAY LIGHT DARK GREY

Description

A wide range of decorative light patterns are possible with the Crosscube. This compact, cube shaped luminaire features 2-way or 4-way LEDs that wash the wall with a pleasing conical beam. Multiple units spaced across a wall will create intersecting light patterns that will add a wow factor to any exterior facade.
