

PRECISION PRO RGB+W FLOODLIGHT 120W 60X135 BEAM IP66 BLACK

Description

Shine colourful light exactly where you need it with the Precision Pro Industrial Floodlight. These super-tough, super-efficient floodlights utilise up to six banks of RGB+W LEDs with DMX512 controlled (ILFLRGBWA002) colour patterns to create striking light effects on building facades and outdoor features. Hospitality venues and outdoor performance spaces will benefit from the explosion of vibrant colour that the Precision pro can provide.
