

## **PROFILE ALUMINIUM BENDABLE SURFACE MOUNT 1M FROSTED DIFFUSER 11 X 4.5MM INCLUDE 2 ENDCAPS AND 2 MOUNTING BRACKETS**

### **Description**

This slim profile is ideal where a more flexible profile is required, as it can be adapted to various bends of different angles and irregular shapes with a minimum bending radius of 10cm. Suitable for use with our Super Narrow Width LED Strip.

Please note that this profile cannot be bent to a right angle.
