SLIMLINE 2 EMERGENCY EXIT BOX 24M VIEWING 3.3W 3HR MAINTAINED OR NON-MAINTAINED MANUAL TEST CW UP ARROW 50 LUMENS

Description

The Integral LED Emergency Exit Box Slimline 2 brings the efficiency and flexibility of LED to the vital sector of emergency lighting. This self-illuminating exit sign can be clearly seen in emergency situations and at 26mm, it has a far lower profile than traditional "metal box" exit signs. At 3.3W maintained and 1.5W in stand-by (non-maintained), the energy cost of the Emergency Exit Box Slimline 2 is very low.
