

STRIP AND DRIVER KIT IP67 5M 6500K 12V 6W/M 350LM/M 60LED/M 10MM WIDTH 115 BEAM BOX PACK WITH 12V IP20 50W DRIVER

Description

This Integral LED 5M Strip and Driver Kit combines our 5 meter IP67 cool daylight LED strip and 40W 12V constant voltage LED driver.

Integral LED cool daylight LED strip has 60 LEDs per metre and is constructed using high quality materials to ensure a consistent light and colour across the strip. This LED strip is IP67 rated and is suitable for indoor and outdoor applications. Each 5m reel is supplied with an easy-to-follow installation guide and 20x mounting clips. Additional accessories are available, to suit specific installation requirements. The kit also comes with Integral LED 40W 12V constant voltage LED driver operates 200-240VAC input range. The LED driver features an ultra slim, IP20 rated casing that helps to provide an easy installation and smart finish, ideal for indoor use. When installing outdoors, please make sure the driver is used with appropriate outdoor fitting.
