**STRIP IP33 5M BLUE 12V 6W/M 60LEDS/M 8MM WIDTH  
115 BEAM BOX PACK Recommended Driver  
ILDRCVA043**

## **Description**

This blue LED strip has 60 LEDs per metre and is constructed using high quality materials to ensure a consistent light and colour across the strip. This LED strip is IP33 rated and is suitable for indoor applications. Each 5m reel is supplied with an easy-to-follow installation guide and an extra connector (Connector end to strip and 15cm wire to power) to power the strip if it is cut into two lengths. 3M backing tape is pre-applied to simplify the installation process.

Additional accessories are available, to suit specific installation requirements.
