How we can help you

We are London's No1 Supplier of LED Lighting.
Why do so many companies chose United LED?
Find out how we can help you.

Advice & Help

Our friendly and patient customer service is second-to-none. Whatever your requirements – big or small – we can help. Just ask. We are specialists, we know our products and the LED lighting sector. We will always do our best to find the right product to fit your needs.

Global Product Sourcing

Looking for a product which we don't hold in stock? No problem – we will priority-source the product from our various supply partners. We can also advise on any possible alternative.

Price Matching

We will do our best to match any like-for-like quote. Just supply us with a written quote, and as long as the items are of similar quality and specification we will try to match the price.

Free On-Site Quotations

Considering switching to LED lighting but not convinced of the cost-savings benefits? Worried by the up-front costs involved? We provide a free no-obligation service where we visit you at your home or workplace. We can provide a written proposal listing the recommended type of lights, cost and approx. energy savings.

Discount for Bulk Orders

For wholesalers and retailers. On large quantities we offer big-discounted pricing. We have even been known to supply items at prices cheaper than direct from the manufacturer.
